

Luc Geurts

problem solver ... chronic curiosity syndrome

Experience

- 2017–Present **Team Lead, Cloud Platforms Engineer**, France.
- o Freelance contractor at a medium sized travel company. I am helping them build/scale a functional service (Websites, APIs, mobile apps), migrate to AWS (finished end 10/17), implement software provisioning, and recruit a new team of engineers;
 - o Manage the migration of financial applications at LCL (finished 06/18);
 - o Design and automate the deployment of a new Azure environment for testing purposes;
 - o Maintain a mixed Windows/Linux environment at a school for at-risk middle/high school children;
 - o Coach & Tech Advisor for two early stage startups.
- 2012–2017 **Premier Field Engineer**, *Microsoft Corporation*, Germany.
- The bullet point description of my job?
- o Assist MCS (Microsoft Consulting Services) by providing technical support in developing 'Tailored to Fit' solutions for Premier customers;
 - o Create/teach different types of offerings such as Workshops, Chalk & Talks;
 - o Deliver proactive on-site Windows Platforms DSE services in the DACH region (70%);
 - o Participate in on-call shifts and CritSits (transactional, Europe, 30%);
 - o Mentor new hires; helping them adjust and discover more about our organization and its culture, as well as enhancing their technical expertise.
- 2011–2012 **Escalation Engineer**, *Dell*, Ireland.
- o Managing Tier 3 escalations and subcases; addressing and resolving break-fix incidents for KACE appliances, vRanger and Foglight end-to-end software.
- 2011–2011 **Support Escalation Engineer**, *Hewlett-Packard for Microsoft PSS*, Ireland.
- o PSS provides pay-per-incident support for experts and businesses. More often than not, many of these support cases with their symptoms, root causes and resolutions, will land as a white paper in the external VKB (Microsoft partners) or TechNet. I did the symptom, root cause, resolution part.
- 2006–2010 **Owner, CEO**, *GEURTS-IT B.V.*, Netherlands.
- o How to become a true 'Jack Of All Trades'? Try mixing 12 FTEs with advertising, marketing plans, allocating resources, maintaining your precious business accounts, complying with state laws, and providing customer service while simultaneously working full-time at various projects.

– 45000 Orléans – Centre-Val de Loire, France
