🏢 CCP CLF-C01, LPI 010-160, 3X MSFT Accreditations, MCP AZ-900, MS 70-533, MCITP-EA 70-647

Certified IT Specialist with 20 years of career history. Currently on an assignment as Tech Lead; a former Microsoft PFE, T3 Escalation Engineer who has a strong background in managing projects, troubleshooting complex operational issues, and architecting infrastructure automation. Strongly motivated by intellectual challenges, always looking out for new technologies and their strategic importance. Loves to travel (30% to max. 40%), work in high pressure environments. In private, a super nerd that loves tinkering with open source software, and who's interested in far too much hobbies ranging from budo to trekking the alps, cruising freeways on a GSXR-600, or rehearsing paradiddles when his neighbours are not at home.
